PRIVACY & SECURITY
TRAINING

Cyber Threats Are Real.

Every click, every file, every patient—it's all at risk.

-  1 in 3 healthcare providers face cyber threats.
-  Breaches cost thousands in fines & lost trust.
-  Hackers rely on human mistakes.

This Free Training Helps You:

-  Prevent breaches & protect patient data.
-  Recognize & stop security threats.
-  Earn CME credits in under 1 hour.
