The Primary Health Care Branch of the Ministry of Health and Long-Term Care (MOHLTC) is introducing the INFOBulletin to keep you informed of the latest payment, policy, or program changes. The INFOBulletin is a new look and replaces the Fact Sheet format previously used by Primary Health Care. All INFOBulletins related to Primary Health Care will be numbered using a new 11,000 series.

We are also introducing a supporting Questions & Answers (Qs&As) sheet which will accompany an INFOBulletin when the branch feels more detailed information is required. The Qs&As will address the practical application of the information provided in an INFOBulletin and answer common questions regarding the change being implemented.

The INFOBulletin and the Qs&As will be posted on the ministry internet in colour and printed in black and white for distribution by the ministry.

Past MOHLTC bulletins along with the new INFOBulletins, and Qs&As are available for viewing on-line at the following ministry website and the last year of Fact Sheets will be available soon:
