

January 2021

Tips and advice on EMRs, digital health and virtual care tools you can use NOW

Happy New Year!

OntarioMD wishes you and your staff a healthy and happy 2021! We admire your resilience and dedication to patients after a tough year and look forward to better things to come and to offering you more services and support that meet your practice needs. Please remember that you can always call on us to help you make sense of all things digital for your practice.

Tip from an OntarioMD Peer Leader: Virtual Care Tools Integrated with EMRs

Carolyn Shields, an OntarioMD Clinic Manager Peer Leader from Ottawa offers some tips for using virtual care tools integrated with an EMR. She uses EMR Advantage®. If you'd like to know which virtual care tools are available in your EMR, contact OntarioMD and our knowledgeable staff will be able to help. [Read the full tip](#)

Did you know?

HRM Adds a New Virtual Sending Facility

HRM has added many hospital and specialty clinic sites over the years, and now it's also adding virtual [sending facilities](#). On November 26, Akira by TELUS Health went live on HRM.

SickKids Now Sending eNotifications

It hasn't taken long for SickKids Hospital to leverage its recent implementation of HRM to add eNotifications. Clinicians started receiving eNotifications (short messages sent to EMRs) for their patients who were admitted, discharged or transferred at SickKids Hospital since the beginning of December. [Check out all SickKids report types](#). Simply type SickKids in the search box.

Digital Health and Virtual Care Tools

OMD Educates Webinar - The Reimagined Visit: Virtual Care as Core to Practice with COVID and Beyond

Join OntarioMD Chief Medical Officer Dr. Darren Larsen and Specialist Peer Leader Dr. Zainab Abdurrahman on **January 27, 2021 from 12:00 to 1:00 pm** to learn how virtual care is leading to the patient visit being reimagined for those patients who enjoy the experience and when in-person visits are not necessary. Topics that will be covered include common virtual care tools, available resources, patient access, and what's on the horizon.
